**Europeans seem to be like Brazilians:
they like to buy imported cars.**

Puma GTE and GTS: the only Brazilian sports cars exported to the Netherlands, England, Spain, Portugal, Switzerland, Italy, Germany, and Belgium.

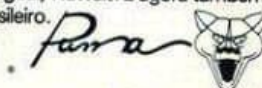

They also export to the United States, the United Arab Emirates, Guatemala, Japan, Australia, Paraguay, South Africa, Haiti, the Dominican Republic, Venezuela, Angola, Uruguay, Kuwait - and now Argentina.

As you can see, the preference for imported products is not a privilege reserved exclusively for Brazilians.

**Europeu parece brasileiro:
é louco para comprar carro importado.**

Puma GTE e GTS: os únicos carros esporte brasileiros importados pela Holanda, Inglaterra, Espanha, Portugal, Suíça, Itália, Alemanha e Bélgica. E também pelos Estados Unidos, Emirados Árabes Unidos, Guatemala, Japão, Austrália, Paraguai, África do Sul, Haiti, Rep. Dominicana, Venezuela, Angola, Uruguai, Kuwait. E agora também pela Argentina. Como você vê, preferir produto importado não é privilégio só de brasileiro.
